

How to Order an At-Home Kit

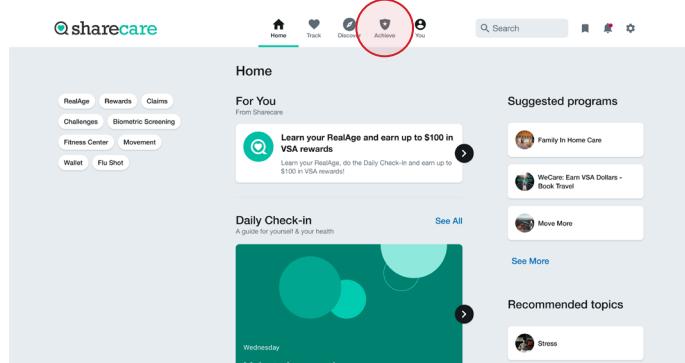

To participate in a biometric screening, you must register for an account first by visiting stateoftn.sharecare.com. Once registered, follow these steps to complete your biometric screening by **Nov. 30** and earn up to \$200.*

Note: The final day to order an at-home test kit for the 2026 program year is **Nov. 2, 2026**. Your at-home test kit must be ordered and returned in the same program year. If you order an at-home test kit and do not return it within the same year, you will no longer see it as an option to complete your biometric screening in subsequent program years.

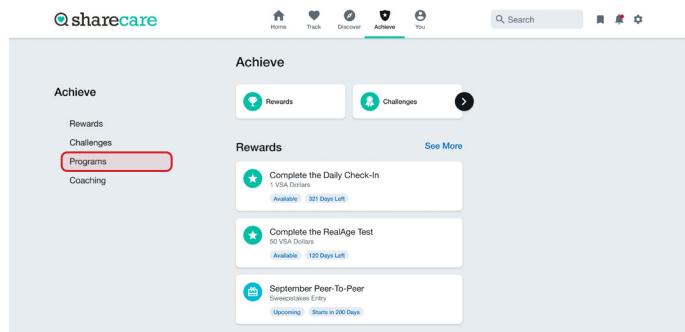

- 1 Sign up or log in to your Sharecare account.

- 2 Navigate to Achieve.

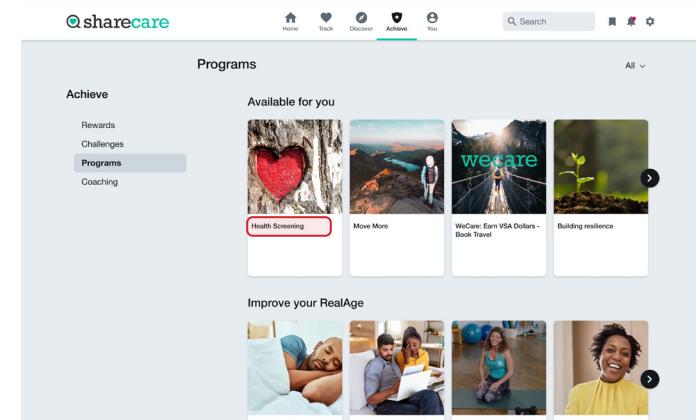

- 3 Click on the Programs tile.

How to Order an At-Home Kit

4

Click on the **Health Screening** tile to be directed to the Quest site to order an at-home kit. (First time users will see a welcome screen before being directed to the Quest site.)

5

After reaching the Quest site, if this is the first time this year, you will need to accept the Terms and Conditions and the Sharecare Consent to continue.

6

Verify all your information under **Enter Your Information** and **Mailing Address**. Select if you would like to receive appointment reminders from Quest. Click **Save**.
