# How to confirm RealAge® Test completion:
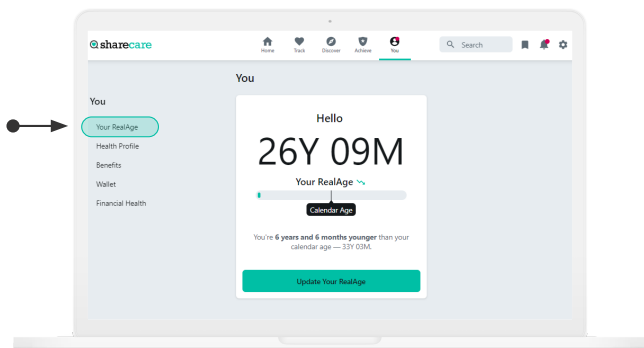

1 Go to stateoftn.sharecare.com and click **Sign In**, or log in to your account through the Sharecare app.
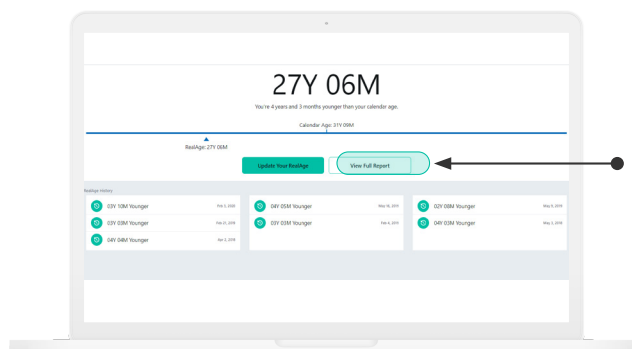

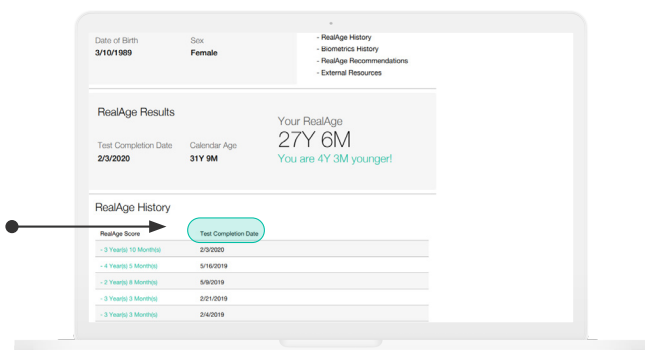

2 Select **You** from the home screen.

3 Click on **Your RealAge** and then **Score**

Note: You can see your RealAge Test history from this screen, but continue to follow these steps if you'd like to save a copy.

4 Select **View Full Report** and then view **RealAge History**

5 Confirm your RealAge Test completion dates under **Test Completion Date**

You can download the entire Health Summary Report for your records.
